Would you like to see not only the first three medallists? Just on click on [chess-results](#).

Every participant also received a special gift from Chessbase, our main partner, alongside with a certificate of participation. The closing ceremony will take place at Tuesday evening.

European Youth Solving Chess Championship has also concluded. Solvers from all around Europe tried to figure out tricky puzzles in two rounds, each 50 minutes long. The categories were U10, U14 and U18 with open and girls' sections. You can find the first three champions of each category [here](#), for complete results visit the following [site](#).
